

Remarks

Applicant respectfully submits that this application is now in condition for review by the Examiner. The amendments to the specification correct typographical errors. Claims 4 and 6-10 as filed in the International Application have been amended to remove multiple dependencies. Claim 2 as filed in the International Application has been amended to clarify that the side wall has an internal and external surface. Claim 11 is cancelled. No new matter is introduced into the application by these amendments.

Respectfully Submitted,

PAUL HOYES
